Dear Friends of Cove Park,

Welcome to COVEacabana!

As you enter this tropical paradise, you will see all the hard work and dedication that was put into tonight's event. Please take the time to look at all the wonderful items donated and know that the proceeds from tonight's event will go directly to the improvement of one of Beverly's finest public parks – Kimball-Haskell (Cove) Park.

We would like to thank all the committee members for donating their time and talents to create this event. An event like this does not just happen. It takes careful planning and a great deal of effort on the part of many caring individuals who want to see Cove Park become a jewel of the city. As you read through this booklet, please note that it is filled with generous sponsors who have made donations to this fundraiser. Please thank them and support them.

Special thanks go out to you, our supporters. With you behind us, our community will have a beautiful and safe park to enjoy. Have a wonderful evening.

Sincerely,

*Roberta Chirco and Kristin Guanci
